YMCA Mission

To put Christian principles into practice through programs that build a healthy spirit, mind and body for all.

Lakota Family YMCA Stingrays

- We focus on ages **5** years old to **18** years old based on age as of June 1.
- This program is a recreational/competitive **SUMMER ONLY** swim team that competes in the Tri-County Swim League.
- **This is NOT a learn to swim program. All swimmers must be able to complete 25 yards freestyle with rotary breathing and 25 yards backstroke with no support and no help in the water by 6/1/21. If unable, coach reserves right to request them to move to our swim lesson program to better their swimming skills.** We will work on cleaning the stroke and teaching new strokes!

Refunds? We do not guarantee a refund unless coaches deem swimmer is not able to complete practices by 6/1/21. For other refunds, you must submit a request to the Head Coach. Partial refunds may be given upon approval.

Why are PARENTS important?

Swim meets do not run themselves. We need **EVERY PARENT** to help us run the season. Each family is required to provide approximately 4 sessions of volunteering. If you do not fulfill this requirement, you will be charged a fee of \$200.00.

Stingray "Schools" of Fish

We strive to promote team building, friendliness and sportsmanlike conduct among teammates. One way we achieve this is through our "Stingray Schools" program which allows a small group of swimmers on the team to gather together to encourage one another and cheer each other on at meets and throughout the season. It's all about the relationship established and the team spirit shared.
